

## PP Mix Cup - Specification Sheet

Material Polypropylene (PP)

Colours: White, Transparent, Black

Bespoke colour options are available on a made to order basis.

Please contact us for further details.

PP Mix Cups from Hauschild, Germany. Manufactured to strictly controlled tolerances and exacting standards for optimum quality and consistent, repeatable mixing results from your Original Hauschild SpeedMixer®. PP Mix Cups, closure lids and optional safety seals are robust with excellent resistance to abrasion and heat distortion.

Suitable for mixing, grinding of R&D formulations, production batches or finished retail products.

Maximize your yield and product storage capability with the PP Mix Cup range.
